Tr Spider nest simulator Being busy with our daily routine we do not pay attention to thousands of insects that live next to us: flies, ants and, of course, spiders. There are more than 40 thousands species of spiders on our planet, some of them are really small, some of them are huge (up to 25-35 centimeters). 99% of spiders have venom lethal for other insects, about 1% of spiders can kill a human. But in spite of this, spiders have a hard life, and with the help of this new application you can experience what it is to be a spider. Introduction. "Wild Foot Games" company is the leader
