This site does not contain any content protected by copyrights. Two ashbins stand on the left stage. and Context In Endgame Samuel Beckett as setting employs the image of a confined dim room. The Plot? Four characters in dialogue? Clov leaves in the end. the characters affirm that nothing alters including time. incapacitated and frozen time of the play implies that there is no hope on the stage. Bored. which is a feeling that may irritate a reader or an audience by triggering anxiety. on a number of occasions. Nothing changes in Endgame such as the weather condition and the colour of Hamm's face. This function of the Beckettian time is accompanied by existential despair. as there is no clue what time of the day it is The best explanation for time can be that time can be lost because time would contain hope. Chess Game: Another vital symbol in Endgame is a chess game. The endgame is played in chess when the King has few rooks and queen to protect him. The king remains motionless but exerts power, commanding others. The very case is found in the life of Hamm where he is playing the last game of life. He is doomed to destruction and end. He can do nothing but wait for the ultimate end, which is certain. He is thrown to futility and meaninglessness. Literary Spotlight. Critical Analysis of Endgame. Dramatic Technique in Endgame.
