[Get Wowhead Premium \\$1 a month or less to enjoy an ad-free experience, unlock premium features, and support the site! Contribute.](#) Please keep the following in mind when posting a comment [First Aid for Horses](#) Know what to do before it is too late! Practical, easy-to-follow advice on: the most common illnesses and accidents suffered by horses approaching and handling an injured or sick horse prevention and treatment of injuries and illness when to call the vet [The Howell Equestrian Library](#). [I have read several books on health care for horses and find that this book is way below par on all of the health problems that a horse can have. Like take for example, laminitis, this is a killer of horses and yet there is not a full page dedicated to this hoof problem, like how to notice the slightest sign of laminitis. The only other book I recommend from this author is A-Z of Horse Diseases and Health Problems: Signs, Diagnoses, Causes, Treatment.](#)
