Buy A Folio Anthology of Poetry online at the Folio Society from the world's most extensive selection of beautifully illustrated books.Â Introduced by Poet Laureate Carol Ann Duffy, this anthology is a celebration of poetry and the passion it inspires. It gathers together more than 300 of our favourite poems, spanning over 400 years from the Tudor court verse of John Skelton and Thomas Wyatt to Yeats's "Politics"™, first published in 1938.Â The Folio Book of Food and Drink is an anthology of culinary delights, stimulating appetites with literary extracts including Jane Austen, Charles Dickens, Elizabeth David and Nigel Slater. This collection " exclusive to Folio " features a mouthwatering introduction by food writer Jojo Tullloh, and a selection of cartoons and 19th-century illustrations. A Book of Luminous Things: An International Anthology - A Book of Luminous Things collects over 300 poems, each with a short commentary by the anthology's editor Czeslaw Milosz. The poems are organized thematically into ten categories with titles like "Nature," "People among People," and "The Secret of a Thing."Â Each section contains works by a range of poets who are diverse in geography, culture, and time period.Â For over three generations, the Academy has connected millions of people to great poetry through programs such as National Poetry Month, the largest literary celebration in the world; Poets.org, the Academy's popular website; American Poets, a biannual literary journal; and an annual series of poetry readings and special events.
