Moving definition: If something is moving , it makes you feel strongly an emotion such as sadness, pity , or | Meaning, pronunciation, translations and examples. It is very moving to see how much strangers can care for each other. It was a moving moment for Marianne. Synonyms: emotional, touching, affecting, exciting More Synonyms of moving. movingly adverb [ADVERB with verb]. You write very movingly of your sister Amy's suicide. 2. adjective [ADJECTIVE noun]. This article is missing information about NPCs moved by story progression. You can help The Sims Wiki by adding it. Moving is the act of moving a single Sim, multiple Sims, or an entire household into a residential lot. Sims can move for a variety of reasons, whether it be for marriage, college, making an NPC playable, or just settling into a new home. In most cases, moving is not an autonomous action and can only be done by the player. moving " moving, impressive, poignant, affecting, touching, pathetic are comparable when they mean having the power to excite or the effect of exciting deep and usually saddening and solemn emotion. Moving, the most general of these words, can be used in New Dictionary of Synonyms. Moving " Mov ing, a. 1. Changing place or posture; causing motion or action; as, a moving car, or power.
