Learn more.Â BACKGROUND | meaning in the Cambridge English Dictionary Cambridge dictionaries logo. Cambridge Dictionary. Dictionary. Getting back to my code example, code is highly structured and there is a correct way to interpret what you are reading. Even still, color assists greatly in comprehension. When reading a book, how many times have you had to go back to refresh your memory of the context of what was written, or the perspective from which it was written? These are some areas where I think color can greatly assist. Just something to think about. Background and Reading are synonymous, and they have mutual synonyms.Â Nearby Words: backing, backdrop, backgrounder, backgrounding. Synonyms for Background. Reading. Show Definitions. Reading noun â€“ A presentation of an artistic work (as a piece of music) from a particular point of view. Background and reading are semantically related. Sometimes you can use "Background" instead a noun "Reading". Nearby Words: read, reader, readable, readout, readability. Synonyms for Reading. Mutual synonyms.
